Dr. Rossmiller presented to the Board the Early Childhood center calendar for the year. She pointed out that the center will start on August 20, this would be to help with transportation issues. They will take one Friday a month off, which will allow for the teachers to have planning time and other needed non classroom duties. The center will not be in session whenever there is an early out or a late arrival, this is due to the transportation issue that can arise with the timing of the classes.

A motion was made by Craig Hunziker, seconded by Kevin Ross to approve the Early Childhood Center Calendar as presented. Aye 5. Nay 0.

Dr. Kracht presented to the Board the proposed fee changes to our breakfast and lunch prices. He pointed out that this is not something we want to do, but due to the regulations set by the USDA, we must raise prices .10 cents. This will make full Breakfast cost for K-12, \$1.20, reduced \$0.30, Adults \$1.85, and extra milk \$0.40. Lunch will be K-5 \$1.85, 6-12 \$2.10, reduced \$.40, adults \$2.35 and extra milk \$.40. He then proposed to keep

the tuition fee of \$8,481.00. He then showed the Board our gate fee for sporting events, fees have not been raised in over 10 years, he made the Board aware fees have not increased but the official fees have and there are some events where we lose money. Overall, the District does come close to breaking even. After discussion the Board decided to keep the gate fees the same to encourage the community to come and enjoy our schools activities.

A motion was made by Craig Hunziker, seconded by Kari Bevans to approve the Food Service fee, Tuition rate, and Activity gate fees as presented for the 2015-2016 school year. Aye 5. Nay 0.

Dr Kracht reported to the Board that the Clark County Football Association is raffling of a gun as a fundraiser. The gun will not be on school grounds, but our students are helping to sell the tickets.

Dr. Kracht shared the proposal from Bluebird Network for internet service. The proposal does not have pricing for connection to Running Fox, so they will need that to get the full proposed price. Dr. Kracht asked the Board if they would like to have a phone poll once that full bid is in so they can review it before the August meeting, the Board agreed that a phone poll to go over the proposal in full. All Administrators agreed that the need for this is great and the sooner the better.
